THE DIRECTORY & BULLETIN BOARD

Put Faces with Names

How many times have you been to a WMA meeting and wanted to look up who the guy with the red shirt and khaki pants is....the guy you've met 5 times and still can't remember his name...the guy who was just telling you about a new precast product he's developing? Now you can look him up in the directory AND even direct message him from the directory.

Currently, we have over 60 members in the directory. Go find your friends! 😊

🔍 PRO TIP: WFSI exec team has joined the directory so you can match their names/faces too.

THE DIRECTORY

Make Posts, Ask the Licensee Network

Our online Bulletin Board allows WMA members to virtually come together to share knowledge and enthusiasm! Looking for an urn? Having issues with a supplier or a supplier's product? Exchange ideas and compare experiences.

🔍 PRO TIP: Follow *Categories* and/or *Members* to get notified of new posts.
